

Marina High School Surf Team Boosters

Dear Local Business Owner,

I hope this letter finds you well. I am writing to request your support for the Marina High School Surf Team. Our team is made up of dedicated and talented student-athletes who are passionate about surfing and representing Marina High School.

Sponsorship from businesses like yours is vital for our team's continued success and growth. Your contribution will assist in sustaining and improving the Marina High School surf program by helping with costs, including the purchase of equipment and gear, competition entry fees, coaching salaries, and team development activities.

As a 2025-26 team sponsor, your business will receive prominent recognition on banners, competition signage, and/or social media posts. You will also have the opportunity to attend our competitions and interact with our team members, their families, and other sponsors.

In supporting the team, you will not only be investing in our athletes but also the community. Your donation helps foster the growth of the next generation of community leaders and provides opportunities for Marina High School students to develop skills in surfing, teamwork, and leadership. The surf team represents the hard work, determination, and dedication that Marina High School values, and your support will allow us to continue to promote these values to future surf team members.

Please see the attached information for more details if you would like to sponsor the team. To discuss custom sponsorship opportunities or explore other ways to support the team (equipment or gear contributions, fundraising activities, or any additional assistance), please email the Marina High School Surf Team Boosters at mhssurfteamboosters@gmail.com.

We thank you in advance for your generosity and support.

Warm regards,

Colleen Mulhall-Briski
